Exari Systems, Inc Annual Kickoff

January 2018

Boston, MA

"Mark, a quick note to say thank you to you and your team for doing a great job today. The team is still buzzing about it and I have rarely seen so many adults line up for an activity! What separates you from the crowd is your passion for what you do – the common thread from the team was how easy you made it for them to be successful. Please use us as a reference anytime. I think you're on to something."

- Bill Hewitt, Chief Executive Officer at Exari Systems, Inc.

A great start to the corporate event season with Exari at their annual company kickoff on January 23, 2018 hosted at the Hilton Hotel in Back Bay. Our team successfully transformed the Westminster Room into a live archery range for the group of more than 60 international executives and staff members to relax, release some stress and more importantly, stick with the mantra of 'Staying Hungry' this year!

We bring the range to you™.
